STATE OF GEORGIA,

Adjutant and Inspector General's Office.

MILLEDGEVILLE, March 20TH, 1865.

SPECIAL ORDERS, }
No. 26. }

I... It is with pleasure that the Governor has received official information from Major-General Sam Jones, Comd'g. the District of South-Western Georgia and Florida, of the complete repulse of the enemy in his demonstration upon Tallahassee. As the attempted invasion, however, though foiled may be renewed, and if successful, imperil the counties of Georgia adjoining, and in the neighborhood of the Florida line, His Excellency directs that the militia of the Counties of Ware, Clinch, Lowndes, Berrien, Colquitt, Thomas, Decatur, Mitchell, Baker, Early and Miller, hold themselves in readiness to meet any call upon them for active service in defence of their homes, that Major General Jones may require, and His Excellency orders and enjoins prompt and full compliance with the orders of General Jones in such emergency. Aides-de-Camp of Districts embraced in this detail, will see that proper support is given to General Jones should he call for assistance upon their counties.
